### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The instant claims are amended to further limit the spectator ligand to an imine ligand or an HA adduct thereof. Since the cited prior art, Mackenzie et al. (US 6,245,871), does not teach or reasonably suggest the imine ligand compound or the HA adduct thereof of the instant claims, the rejections of the previous Office Action is withdrawn, and the instant claims are deemed to be novel and nonobvious over the cited prior art and are in the condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Caixia Lu whose telephone number is (571) 272-1106. The examiner can normally be reached on 9:00 a.m. to 5:30 p.m..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Wu can be reached on (571) 272-1114. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
